6. All **SKIS, BIKES, LARGE TOYS, ETC.** must be kept in the locker storage and not in the unit. Padlocks are available at the office.
7. Summit Daily News may be found in the newspaper kiosk on the NW corner of the property.

# GENERAL INFORMATION, Cont'd...

**8. PLEASE** do not put bones, paper, metal, potato peels, or any fruit peelings, etc., in the garbage disposal. Should it become plugged, there is a plunger in every unit, usually hidden in a closet or under a sink, or in the laundry room.

**9.** The gas fireplace insert is turned on & off with the black switch on the front of the unit . Use the fireplace only while you are in the unit; while you are out, adjust the thermostat for the electric heat to desired level. The glass **DOES** get **HOT**, so please be careful. Hearth screens are available upon request. Please make sure the hearth area is free of any flammable material such as paper or clothing.

**10.** If your smoke detector is set off accidentally, find the breaker box (kitchen) and turn off the breaker until the smoke dissipates. The baseboard heaters are connected to the same breaker, so please remember to turn the breaker back on.

**11.** We keep the lobby door to the garage locked during the evening hours for your safety. You will need the code to enter the garage through the lobby door.

**12.** Sales and rental information is available at the front desk.
